CHAIRMAN'S REPORT FOR THE YEAR ENDED MAY 2024

This has been an interesting year for the Parish Council with a number of projects taken forward or completed in support of the community. These have included:

- Upgrading of playground equipment in Corscombe.
- Repair of finger posts – ongoing work.
- Additional Defibrillator sites, in partnership with the Friends of Corscombe and Halstock Community First Responders - there are now two in Corscombe, two in Halstock and one in West Chelborough.
- Support to Public Rights of Way - fifteen new gates to replace styles.

The Parish Council has supported the Great Big Dorset Hedge Project, Community Tree Project and speed watch initiatives. We are always looking at ways to support the community and actively consider and comment on proposed highways, planning applications and report potential planning breaches. The Council is also trying to identify an appropriate site for a playground in Halstock.

We have ensured that the Parish Council undertakes its statutory powers and duties.

Richard James
