Application number	Address	Detail	Response Date	PC response	DC status
P/VOC/2025/013 00	Applewood Halstock Yeovil BA22 9SN	Develop land by erection of an agricultural worker's dwelling (without compliance with condition 4 of planning permission 1/W/79/293 - to remove the agricultural occupancy condition).	All written representations must be received by 2 nd April 2025		
P/LBC/2025/010 68	Benville Bridge Benville Lane, Corsecombe, Rampisham Dorset	Masonry repairs and scour protection works	All written representations must be received by 27 th March 2025	The Parish Council supports this application. The work is warranted and needs to be carried out to preserve the bridge.	
P/NOTP/2025/00 914	Street Record White Lane West Chelborough	Remove payphone (Call box I.D. 0193583658). (Retain telephone kiosk - to be locked).	All written representations must be received by 17 th March 2025	"Reluctantly the Parish Council supports this application but would like the following noted. We understand that the Kios is being retained but who will be responsible for policing it's upkeep. At present the door is beginning to rot and there is a broken pane of glass,	
P/HOU/2025/005 42	Oakland Farm Access Through Oaklands Farm East Chelborough DT2 0QA	Erect agricultural storage/work restroom/office and occasional farm vehicle parking bay.	All written representations must be received by 20 th February 2025	Supported	

P/LBC/2025/000 83	Yew Tree House Yew Tree Farm Corscombe DT2 0NX	External works to replace two stone lintels & windows; internal works including the formation of a new wc suite to bedroom 1; conversion of a bedroom to a bathroom and alterations to the first floor bathroom	All written representations must be received by 11 th February 2025	Supported "We support this application as the alterations will improve the living accommodation within planning requirements. We feel it is important to state that carefully chosen use of slimline double glazing units are fully justified considering the economic and environmental impacts of these large windows and will not detract from the appearance of the restored windows. We would however suggest that the spacers are white and not black as they will be significantly less apparent in a white wooden sash window. "
