Concern have been raised by residents over the number of and length of road closures that have been implemented around Corscombe and Halstock. While it is appreciated that these have been necessary to complete work and maintain safety, there has been a considerable impact on the community, disruption journeys, foot fall for the Halstock shop and school buses. As well as concern over the impact these closures will have on the ability of emergency services to reach residents.

10.1 Enforcement update (verbal) TS/RJ

None

11. To receive and note training update (Verbal) TS

None.

12. DAPTC Area meeting update (TS)

The main points to come out of the DAPTC Western Area meeting recently held were:

- Statement of Reasonable expectation - Parish Councils were asked to adopt this policy from Dorset Council.
Adoption approved 10/10
- Martyn's Law – The Terrorism (Protection of Premises) Act 2025, also known as Martyn's Law, received Royal Assent on Thursday 3 April 2025. This Act delivers the Government's manifesto commitment to strengthen the security of public premises and events.

Parish Councils and organisations need to be aware of the new legislation, Martyn's Law, and the implication this has when organising large gatherings. Both the Halstock and Corscombe Fete organisers were made aware of this law by the Clerk but on consideration both events fall below the threshold requiring a terrorist risk assessment.

Further details on Martyn's Law can be found at [or](#) by contacting the Clerk

- DAPTC small council survey – Following the 2024 general election and increasing budget pressures on Dorset Council, the local government landscape is evolving rapidly. With the prospect of a Strategic Regional Authority on the horizon, parish and town councils may find themselves even more distanced from decision-making processes. The Fresh Start Report, has already captured insights from 25 larger parishes and towns about collaborative relationships between parish councils and Dorset Council. DAPTC thinks it's just as important to collect the views of the remaining 130 smaller councils in the Dorset Council area on these same critical themes.

Why This Matters - Your experiences and perspectives are essential to:

- Inform ongoing discussions between DAPTC and Dorset Council
- Ensuring smaller parishes aren't overlooked in future local government arrangements
- Building more effective partnerships across all tiers of local government
- Preparing for the challenges and opportunities ahead

Councillors were encouraged to complete the Small Council survey alongside a formal Parish Council response. Closing date 31st October.

13. To approve changes to the Clerk's Contract to bring it inline with the current NALC contract template and reflect the change in the way the Clerk is paid. (G) TS

See point 22 below

14. Noticeboard repair by Fox inn TS

On further inspection of the noticeboard, it would not be repairable. The decision was made to purchase a new noticeboard. It was decided to replace like for like, glazed two door wooden notice board.

Thank you to Michael Widen, *John Copson Peake Will Trust* for their donation towards the noticeboard.

Action: Clerk to look into prices.

15. Updating Parish council website

Proposal – to update the website software to Bricks Builder to ensure greater flexibility and continued security of the site. Cost £250 + Vat

Proposed Cllr. James seconded Cllr. Sherwood. Approved 10/10

16. Old Parish Council Documents - results of review (H) TS

Freda Hennessy was thanked for all her hard work and for providing such a comprehensive audit. The decision was made to dispose of all documents other than those note on the report. Any remaining documentation would be stored at Corscombe village Hall. Freda will provide a list of documents now stored at in the village Hall Parish Council filing cabinet .

Approved 10/10

17. Correspondence to be discussed and noted. (Verbal) TS

17.1 AtlasTower Group Limited – providers of telecommunication infrastructure (Verbal) RJ

An initial meeting was held in the village Hall with representatives for the Halstock village Trust, the Parish Council, other parishioners and Atlas Tower Group. This aimed to start discussions about improving mobile phone signal initially in the Halstock area. Reception in Halstock is currently very poor. The proposed solution would require a 30ft tower to boost all mobile networks. Twelve possible sites have been identified, and landowners would now be approached. If/once a preferred location is identified, Atlas would apply for planning permission in the usual way. The Parish Council supports this initiative. Chris Milton is the point of contact.

18. Bus service Update HL

There is talk of being able to attach pickups in Corscombe and Halstock to another service in the area. At this time no further update.

19. Climate and Ecology emergency action to be noted

- Beaminster area Eco group - Swift Walks and talks. Looking at putting up Swift nest boxes to help increase numbers.
- Listed buildings consent orders would allow the use of PV solar panels on listed buildings. The question was raised why this order is not being used where appropriate for the listed building.

20. To consider urgent matters to report from members and items for the next meeting.

None

21. Resolution to exclude members of public and press for items 22 due to confidentiality

Proposed Cllr. Lovegrove, seconded Cllr. James, Approved 10/10

22. Approve changes to the Clerk's Contract to bring it in line with the current NALC contract template and reflect the change in the way the Clerk is paid. (G) TS (item 13)

All changes to the contract were approved with the correction of 28 hours per month to 7 hours per week. Item 5.4 and 6.1

Proposed Cllr. Lovegrove, seconded Cllr. Clarke, Approved 10/10

The meeting ended at 9.40pm
