All written representations must be received by 23rd April 2026	The Parish Council objects to this application. The stated use of the sheds is incorrect and misleading. The application claims they are used for livestock, but the buildings are in fact being used — and have historically been used —	Refused

				for the storage of waste materials, as evidenced by the photographs provided. This is a material misrepresentation of the existing use and prevents a lawful, informed determination. Waste storage is not ancillary agricultural activity and constitutes a material change of use that has not been applied for. The application also fails to assess the associated environmental impacts, including runoff, contamination risk, odour, vermin, and increased vehicle movements. Given the discrepancy between the stated and actual use, the Parish Council requests that the Local Planning Authority refer this matter to Planning Enforcement f or
